Work Experience

Computer Science Intern – BAE Systems Landing Test Facility June-August 2022

- Worked hardware and software on the SPN-46 at the LSTF, onboard the Patuxent River Naval Air station. Work also included C/C++ documentation and coding.

Sporting Event Support Staff – St. Mary's College of Maryland January 2022-Current

- Worked as part of a sport communication support team, including live commentary, filming games, setting up/facilitating a livestream, managing game/shot-clock, and jump-on-the-court floor mopping during basketball games.

Attraction Facilitator & Support - Adventure Ridge at Vail Ski Resort June-August 2023

- Led all-aged customer groups through the Forest Flyer Mountain Coaster, Bungee Trampoline, and Kids Tubing Hill mountain activities. Supported customers in various ways.

Cashier/Clerk - St. Mary's College of Maryland Campus Store January 2022-August 2022

- Handled payments, scanned and bagged items, stocked food & school supplies, used excel to track book purchases and other inventory.

Camp Counselor – St. Mary's College of Maryland Summer 2021/2022

- Coached groups of kids during six one-week sessions over two summers of the Seahawks Summer Youth Soccer and Sports Camps. Assisted camp leadership as a senior counselor.
